ISSUE 3: PORTRAITURE

SOLD OU

$25.00

PRYME Magazine is an international quarterly publicat that features Instant Film Art. Issue 3 - "Portraiture" fror around the world - showcases the instant images of ten extraordinary photographers, with biographical notes, an highlights in-depth interviews with four ground-breaking photographers, plus photos.

In this issue: Emily Soto speaks about her work with Polaroid film and cameras in the NY fashion world; Luigi Vigliotti shares his emulsion lift philosophy of art, from h series "Graffiti." Philippe Bourgoin comments on his four part, continent-hopping creative career, from cinema and pop music to Impossible Project film art; Mikael Kenned discusses his wanderlust, his love of 'zines, and his creativ process.
